

TUITION & FEES FOR 2011/2012 SCHOOL YEAR

OTHER FEES

English Language Learners (ELL) and Learning Support (LS) for Grade 1 to Grade 10

Qualifying students for these programs are those in Grade 1 through Grade 10. Certain levels of English language proficiency are required for enrollment and vary depending upon the grade-level of the student (greater proficiency is required in upper elementary, middle school, and high school). For students requiring additional support in English language acquisition to enable them to cope adequately with the school’s programs, supplementary ELL instruction is available. In addition, Learning Support Services are also available for students needing extra help within the AISJ program. The objective of the Learning Support program is to enable students to function as successfully and independently as possible within the regular curriculum. AISJ provides support services to individuals and their families as recommended by the student support teams. The Learning Support Services teachers work to support the needs of each student within the regular curriculum. Assistance that is provided through Learning Support will be noted on the student’s transcript and grade card. Fees for Learning Support instruction and/or ELL shall be SR 2000 per year payable upon receiving the first invoice of tuition (not to exceed this amount per year per student). Parents will be notified of these charges prior to their child being placed in LS and/or ELL. Students who test as needing ELL or LS services at the 11-12 grade level will not be admitted to AISJ and the test administration fee is non-refundable.

Advanced Placement

A supplement of **SR 1,200** for each AP course will be levied with the first semester fees.

METHODS OF PAYMENT

All monies are payable in Saudi Riyals to the Accounts Department. Funds may be drawn on a Saudi Arabian bank through a personal check or bank draft. Payments may also be paid by American Express, Visa or MasterCard, including bank service charges. Official receipts are always issued by the school for every payment received.

LATE PAYMENTS

Failure to make payments within five days from the scheduled payment date will result in a late payment fee of **SR500** being charged and added to the due payment. Any returned bank check will also result in penalty fee of **SR500** per check.

REFUNDS

1. A student is eligible to a 100% tuition refund (excluding assessment/registration fees) if he/she leaves the school within the first two weeks of the start of the academic year.
2. A student is eligible to a tuition refund (excluding assessment and registration fees) on a pro-rated per calendar day basis in the following circumstances:
 - Leaving the kingdom on Final Exit VISA;
 - Chronic illness that prevents him/her from attending school;
 - Student is removed for academic reasons (not achieving success).
3. Students who are expelled from attending school for behavioral reasons are eligible for a pro-rated tuition refund (excluding assessment and registration fees)
